# User Story

**As an user**

- I want to  Register my profile

- In this blog website I want to register my profile so that I can post my stories to share my feelings.

- How to register? What information will take to register a member?
  **Confirmation:** Registration using name, email, address.

**As an user**

- I want to  login

- As I was registered before, so for every next time I will be able to get into my profile only by login

- How to login? Login through email, phone no, facebook?
  **Confirmation:** Username and password or email and password

**As an user**

- I want to create posts

- The main purpose of this website will be to write Post. I must have the ability to create my own post.

- What kind of posts user wants to share? Will it be only written something or will it be some kind of video, photo or other files?

  **Confirmation:** Written post

**As an user**

- I want to read Posts.

- I will be able to read all the post on my timeline and also form my profile too.

- How can I read my post? Will I have to search randomly or I will find them in my profile?

  **Confirmation:** All the post written from my profile will be found on my profile according to latest post time.

**As an user**

- I want to remove my post anytime if I want

- I will be able to delete posts that have been posted from my profile.

- How it will happen? Will it take admin permission to delete a post? Will my password confirmation be required to delete a post.

  **Confirmation:** No confirmation, one will be able delete post from one's own account

**As an user**

- I want to see others post

- I will be able to read public posts of the other users

- Will the post of others arrive on the timeline or the user have to manually check into their public profile?

  **Confirmation:** Post will be arrive on own timeline or homepage

**As an user**

- I want to be able to hide my information as an anonymous account

- I want myself to post highly sensitive issues/information hiding my identity
- Will admin be able to detect an anonymous user? Can anyone only be able to post anonymously or he can like or comment on the post anonymously?

  **Confirmation:** Admin will be able to detect anonymous user, only post, no comment or like

**As an user**
